

Create a Time Capsule

A time capsule is a way of recording the present time or current events by bringing together objects or information that will be preserved for future generations to discover. This Coronation year marks a historic moment in the life of the nation and time capsules – whether physical or digital – offer a great way of recording this special moment in time.

To make a time capsule, begin by collecting anything you feel reflects how exciting, significant and historic this year is. Remember to make sure to include things that show how you have been involved in the celebrations, or how events have made you feel. You might want to include:

- Photographs
- Tickets
- Postcards
- A diary or a letter describing any events, parties or activities you have taken part in for the Coronation
- Pictures you have drawn, for example, a special Coronation portrait of The King and Queen!
- Newspaper articles

You might want to ask whether your time capsule could become a part of your school or local library, or even local archives. Remember, you are a part of history in the

Why not try making a digital time capsule? You could make a film about 2023 – or even interview your friends about their experiences in this Coronation Year!
